Program Coordinator: Anna Attea, Sustainability Specialist

Community Engagement Program Summary

At Life Storage, we believe that by giving back to our communities we will contribute to the betterment of the communities in which we do business and where our employees live. We aim to make meaningful and lasting impacts on our communities through volunteer efforts, charitable giving, and community-centric employee engagement.

By identifying and focusing on specific areas of need, we will ensure that all of our resources are allocated appropriately and effectively to maximize our positive impact on community growth and improvement.

Community Engagement at Life Storage

Teamwork, which is one of our Core Values, is essential to our culture, and we are dedicated to being a strong partner and teammate to our communities. We are committed to engaging with our communities in a way that exemplifies this Core Value and allows us to make meaningful and lasting contributions to the communities we serve.

Life Storage's community engagement program, *Life in Our Communities*, formalizes and optimizes our efforts to achieve this goal through the following strategic objectives:

- **Synchronize Our Efforts:** Ensure company-wide alignment of all community engagement efforts.
- **Maintain Strategic Focus:** Maximize impact by adhering to the core focus areas of the *Life in Our Communities* program.
- **Encourage Accountability:** Govern and assess the execution and impact of the *Life in Our Communities* program.
